One Uniform - Activewear 2023

In 2022, St Catherine's transitioned to a one uniform - activewear with the same items worn across all year levels.

This update to the uniform means a more practical, comfortable, affordable, and higher quality range. The Activewear uniform is available to be worn by students in all grade levels, every day of the week (with the exception of Year 6 who can wear their Seniors polos and jackets).

The uniform items are no longer seasonally specific, and children can choose each day which items they wish to wear. The new school uniform is 'active style' with interchangeable options for warm and cool weather such as shorts, skorts and everyday pants (tracksuit pants for R-2), polo shirts and jackets.

Repurposing or disposal of second-hand uniforms:

Repurposing or the correct disposal of the no longer used second-hand items is of importance to St Catherine's School. During 2022 and 2023 we will be donating all items that are no longer current to Container of Hope.

Their mission: *to send 40-foot shipping containers full of donated and recycled goods to assist poor and vulnerable communities around the world. We seek to bridge the gap between needy communities and people who have too much.*

YEAR 6: SENIORS

In Year 6 children have two uniform items to present them as the SENIORS for St Catherine's School.

They are a navy themed school polo shirt and a Year 6 Commemorative Jacket.

The **2023 Year 6 designs** are presented below.

Each year the design of the jacket may change, with the Year 5 children involved in the choice of the design towards the end of that school year.

These items have been arranged through SILVERFLEECE and communication will be sent when they are available to order.
