One Uniform - Activewear 2022

We are excited to announce that over the next 3 years, St Catherine's will be transitioning to a one uniform - activewear with the same items worn across all year levels.

This year the School Board proposed to update the uniform to a more practical, comfortable, affordable, and higher quality range. This was presented to the parent and carers community and received overwhelming support to move forward.

The updated uniform and move to One Uniform - Activewear will begin in 2022. It will be available to be worn by students in all grade levels, every day of the week (with the exception of Year 6 in 2022).

The uniform items will no longer be seasonally specific, and children can choose each day which items they wish to wear, except for specific 'event days' (*details on page 4*).

A substantial and flexible transition period has been provided to ensure that all families get full use of the current uniform items they own and can make practical decisions for their uniform needs over the next 3 years.

The new school uniform will be 'active style' with interchangeable options for warm and cool weather such as shorts, skirts and everyday pants (tracksuit pants for R-2), polo shirts and jackets. There has also been a strong focus on improving the quality and versatility of the individual items.

TIMING:

The new or upgraded items will be **available in the new year, 2022.**

Children can begin wearing the new items at the start of the 2022 school year, however all current items that are in the current junior years as well as the PE uniform and formal uniform in years 4 - 6 in 2022, can be worn for the next three years, as part of the transition process.

The Year 3 cohort of 2022 will be the first year that will not be moving into the current formal uniform.

The timeline table below is to help you plan your family's uniform needs.

For the end of 2021, if you have any good quality items that could be sold on to another family, please send them to the office for redistribution.

YEAR 6: SENIORS

In Year 6 children have two uniform items to present them as the SENIORS for St Catherine's School.

They are a navy themed school polo shirt and in 2022 will be a Year 6 Commemorative Jacket.

The **2022 Year 6 designs** are presented below.

Each year the design of the jacket may change, with the Year 5 children involved in the choice of the design towards the end of that school year.

These items have been arranged through SILVERFLEECE and communication will be sent when they are available to order.

This jacket, over the transition years of 2022 - 2024, is able to be worn with both the current formal and new One uniform - Activewear.
